Updates given and apologies from Fegans and PCSO Finch

COLEMAN REC PARK

Youths had built a shelter and this was burnt down this morning causing damage to trees and a private garage, which it was situated close to.

PC Carter stated that ASB call levels have been almost zero in the last two weeks since the erection of this shelter. NTT and EKMU had been into the area recently and helped with the ongoing ASB issue. TDC stated that it would have had to come down anyway.

- £43K of funding has been withdrawn but Hyde/TDC/Fegans/Orbit have £30K to spend on the park by March/April 2011 – meeting here at 18:00hrs on Monday 8/11/10.
- Cllr Green stated she may be able to get £50K of funding she was promised for Jacky Bakers, but would see if this can be used at this park instead.
- Cllrs Nottingham and Kirby would give their £500 grants to the scheme also if required.
- Youths present also said they would help if they are allowed with clearing/building new plans etc.
- It was agreed that cctv/fencing would need to be installed because of the damage caused last time to new equipment in the park.
- A police unit in the park was also mentioned but electric/water could be a major stumbling block.

MENTMORE RD

Liz Green to speak to KCC Highways regarding this matter. Orbit are willing to fund a pole and mirror but this is all they can assist with in £ terms.

NEXT MEETING – Friday 28th January 2011 at 12pm, St Marks Church.
